Mobile Plant and Equipment (MP&E)

We provide access to underwriting experts who have the 'pen'. Our aim is to make it easy to do business by focusing on providing a highly competitive price and coverage solution for clients coupled with swift response times - we are resourced to respond to your quote requests within 1-2 business days.

This exclusive facility is underwritten by Berkshire Hathaway Specialty Insurance (Section 1 – 5) and Certain Underwriters at Lloyd's of London (Section 6) – an international market that offers unrivalled reliability in underwriting and claims handling.

Following negotiation of a refreshed binder we:

- Offer highly competitive premium rates
- Have a significantly broadened appetite that allows us to write substantial MP&E risks (excluding crop harvesters and logging risks only).
